

2025 Camp Season

For those of you who want your child to participate in our Salmon Brook Park Day Camp program this summer but need to be at work before it starts - we have just the solution for you - Granby Recreation's Before and After Camp Care at Salmon Brook Park! We have made a few changes to the registration process but we have maintained the great fees.

Before Camp Care Hours - **Monday - Friday: 7:00am - 8:30am**
After Camp Care Hours - **Monday - Friday: 3:30pm - 5:30pm**

Extended Care Pricing Options

You can register for all 8 weeks of Salmon Brook Day Camp's before and after care and pay a flat fee or purchase a punch card. Both options are new this year and the punch card system is intended to assist families who may only need before or after care for their child occasionally. There are 2 card options available one with 10 "punches" and one with 5 "punches" on it.

Pricing:

All 8 weeks (Monday - Friday) of before & after care during Day Camp = **\$620.00**

1 punch = **\$14.00**

5-punch Card = **\$68.00**

10-punch Card = **\$114.00**

Each day that a child uses either of the extended day programs will serve as 1 "punch" and the date of use will be recorded on the back of the card; in addition, a Granby Recreation staff member will keep all of the "punch cards" on site. Please note, if you are using the punch card for before care and after care on the same day, this would count as two punches.

The card is for use by one family only and not transferable. Each child who stays will use 1 punch (ie, if two children stay from one family it is 2 punches).

Punch cards may be purchased at www.GranbyRec.com
