## Planning ahead and registering early - SO IMPORTANT!

We often hear the surprise when families discover how quickly registration fills for our most popular activities, sports, and camps. Nothing is worse than finding out you're too late to sign up.

Registering early benefits everyone!

- For us: It allows us to plan staffing, schedules, and instructors to ensure the program is the best it can be.
- For you: It guarantees your child a spot on their favorite rec team or in that exciting new adventure camp they've been looking forward to.

Key Dates to Remember:

- Summer Camp: Registration is already open!
- Fall Soccer: Registration opens early summer.
- Many of our summer sports camps are already online—check them out today!
